## Meet Gail Ardiel

Gail and her husband Shane are the proud parents of four grown children, and together operate Apple Springs Orchards (since 1984). She is also a Registered Early Childhood Educator and Resource Teacher and owns and operates two Child Care Centers (since 1987).

Gail believes in creating jobs and growing the regional economy, as well as being committed to providing the right environment for our children in their important early years. This has been her commitment to building a community full of opportunity – right here, at home. The Town of The Blue Mountains needs to continue to be a place to live, grow, work and prosper - together

Completing her fourth term as Councillor, Gail has also held various senior positions of leadership including:

- ❖ Ontario Small Urban Municipalities (OSUM)
- ❖ Association of Municipalities of Ontario (AMO)
- ❖ Nottawasaga Valley Conservation Authority-Vice Chair, Agricultural Advisory and Efficiently Audit Member
- ❖ The Town of The Blue Mountains - Finance and Administration Chair, Planning Chair

Focused Priorities for The Town of The Blue Mountains:

- ❖ Reviewing all operations and seeking specific opportunities for key efficiencies, cost savings, revenue optimization and smart partnerships with the county and others
- ❖ Delivering predictable and sustainable Police funding that guarantees a safe community with the resources needed to do the job, but without surprises to tax payers
- ❖ Declaring us 'Open for Business' locally and regionally, and making us a destination for investment and development

With a proven commitment to our regional economy and community, and over thirteen years of experience, support Gail Ardiel to deliver on the important priorities we should be focusing on together here at home.
